Whereas; Grandmaster James Lacy was San Diego's first member of Inside Kung Fu Magazine's Hall of Fame in 1989 as "Humanitarian of the Year," and

Whereas; Mr. Lacy has a track record of extensive community involvement in helping many varied groups get customized self defense, health and self confidence training free since 1980, and

Whereas; Mr. Lacy pursued receiving grants to cover his expenses so that he can continue to share these programs to women, children, the physically challenged, our educational system and working families, and

Whereas; Jim is now prepared to go public with the actual products he has created and continues to create, now be it proclaimed

That as the Assemblymember of the 76th District, I commend Grandmaster Lacy's programs of meditation and self defense whether for after-school programs or for corporate Fortune 500 companies and acknowledge Jim's continuous efforts to improve the lives of San Diegans.

I wish Mr. Lacy much success in sharing his techniques and commend him for making us all feel a bit safer armed with his expertise and generosity for our improved health and reduction of crime through the technology of his products.
